APPEAL NO. 1: To hear the appeal of Raymond Leannais for property located at 6214 s. Pennsylvania Ave.

Type or Building Use: Single Family Residential **Zoning:** RS-2 **Key No:** 683-9907-001

Lot Size: 66' x 125'

Requested Variance: To erect garage on side yard with reduced separation distance to no less than 5 feet from dwelling.

The reason for denial of approval/permit is as follows:

Cudahy Municipal Code Sec: 17.0504

(A)(ACCESSORY USES AND DETACHED ACCESSORY STRUCTURES). Accessory uses and detached accessory structures shall be permitted in the rear yard only unless specified.

(1)(a) Accessory buildings shall be located at least 10 feet from the principal structure; shall be placed on a poured-in-place Portland cement pad of concrete; shall be located not closer than three (3) feet to a lot line. Owner is requesting to construct a detached garage within the side yard and to within 5 feet of dwelling.

Raymond Leannais appeared before the board to present his case. He presented drawings of what he is proposing which is to build a new garage 20' wide x 40' deep. The house does not have a basement and he stated that he needs more storage. He noted that the house is 800 square feet which he had built in 1995 and that is a hardship.

The December 2, 2009 meeting was cancelled and rescheduled for December 16, 2009.
